

Facilities and Equipment

PUEBLO

IntelliTec College Pueblo is a branch campus of IntelliTec College, Grand Junction, Colorado.

Main Campus: 3673 Parker Boulevard, Pueblo Colorado, 81008.

Automotive Facility: 713 East Spaulding Avenue, Pueblo West, Pueblo CO, 81007 Satellite location of IntelliTec College.

Main Campus: This facility is over 18,000 square feet of educational and administrative space. The campus features classrooms and laboratories for all programs, and a reference library space. Classroom equipment is modern and includes extensive selections of visual aids and computer systems running Windows 10 and Microsoft Office 365.

Automotive Technician: Training facilities encompass over 16,000 square feet of space including 7 lifts, equipment and tools, and industry-grade features such as exhaust ventilation in the bays, air conditioning throughout the building, a student Learning Resource Center with computer access, separate laboratory unit room, a dedicated tool control room, and current diagnostic and electronic training equipment.

Electrical Technician: The Electrical Technician Program facilities are equipped with a mock apartment lab built out for students to wire and practice installation of fixtures and outlets. This lab space enables them to practice what they learn in theory. A computer lab is also available for them to complete project research and do their online work on site.

Cosmetologist: Program facilities occupy 4,000 square feet that includes 36 custom styling stations, state-of-the-practice hair washing stations, 3 European Touch pedicure stations, 6 manicure stations, 2 esthetician rooms, a color bar, dispensary/storage room, classrooms, a laundry room, and lockers.

Massage Therapy: Program facilities include a lab and working clinic environment that feature portable and stationary massage tables and accessories, massage chairs, a complete set of lotions and oils, aromatherapy supplies, linens and towels, bolsters, assorted videotapes, and a laundry room.

Medical Assistant: Program facilities include a classroom and clinical lab environment equipped with syringes, needles, a Centrifuge, a microhematocrit, glucometers, EKG machines, a hospital bed, exam tables, a spirometer, an autoclave, a sedimentation rate rack, a hemoglobin meter, anatomy charts, Anatomy Virtual CD, Mosby's Medical Dictionary, Physician Desk References, gram supplies, microscopes, otoscopes, sphygmomanometers, stethoscopes, an incubator, an audiometer, a baby scale, an adult scale, hemocytometers, alcohol lamps, a refrigerator, transcription machines, CPT and ICD-9 code books.

Nursing Assistant: Program facilities include a dedicated laboratory setting of approximately 504 square feet as well as a classroom of approximately 530 squarefeet. Equipment for the program includes hospital beds with privacy curtains, a Hoyer Lift, wheelchairs, a walker, and canes, commodes, and all the necessary supplies for activities of daily living. In addition, the classroom and lab are equipped with running water and the lab includes an operating lavatory for training purposes. The facility is approved by the Colorado State Nursing Board for Candidate Nurse Aide testing.
